8.5 Infringement. If any Virsaе Solution is, or in Virsaе's opinion, is likely to become the subject of any infringement-related claim, then Virsaе will, at its expense and in its discretion: (a) procure for the Customer the right to continue using the Virsaе Solution; (b) replace or modify the infringing technology or material so that the Virsaе Solution becomes non-infringing and remains materially functionally equivalent; or (c) terminate the Order Form pursuant to which the Virsaе Solution is provided and give the Customer a refund for any pre-paid but unused fees.

10.4 Remedies. The Customer acknowledges that any actual or threatened breach of Section 2. will constitute immediate, irreparable harm to Virsaе for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought to enforce this Agreement, the prevailing party will be entitled to receive its attorneys' fees, court costs, and other collection expenses, in addition to any other relief it may receive.

10.5 Waivers. All waivers must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

Nothing herein, whether express or implied, will confer upon any person or entity, other than the Parties, their successors and permitted assigns, any legal or equitable right whatsoever to enforce any provision of this Agreement.

10.8 Construction. The parties negotiated this Agreement with the opportunity to receive the aid of counsel and, accordingly, intend this Agreement to be construed fairly, according to its terms, in plain English, without constructive presumptions against the drafting party. The headings of Sections of this Agreement are for convenience and are not to be used in interpreting this Agreement. As used in this Agreement, the word “including” means “including but not limited to.”

10.9 Force Majeure. Any delay in the performance of any duties or obligations of either party (except the payment of money owed) will not be considered a breach of this Agreement if such delay is caused by a labor dispute, shortage of materials, fire, earthquake, flood, or any other event beyond the control of such party. The affected party will use reasonable efforts, under the circumstances, to notify the other party of the circumstances causing the delay and to resume performance as soon as possible.

10.10 Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding the subject hereof and supersedes all prior or contemporaneous agreements, understandings, and communication, whether written or oral. This Agreement may be amended only by a written document signed by both parties.
